

Module *MLC*

Maneuver Leader Crossover

Maneuver Leader Crossover
MLC (6 h)

Objective: The main objective of this course is to train workers who coordinate the lifting and movement of loads using bridge cranes, providing the necessary knowledge to carry out these tasks safely and efficiently. Upon completion, participants will be able to comply with safety regulations, ensure their own physical integrity and that of their colleagues, and handle the machinery in a professional and safe manner.

PROGRAM: MLC Maneuver Leader Crossover

1. Scope and objectives
2. Legal framework
 - 2.1 Legislation and regulations
