

Module SLU Service Lift User

SLU (4 h)

Aim: The aim of GWO Service Lift User training module is to enable the participant to use a lift in a WTG correctly. The training will provide the participant knowledge of multiple guiding systems and lift types in WTG. Furthermore the participant will learn to perform the necessary pre-use inspections and emergency actions – and when needed take guidance in relevant manuals.

PROGRAM: SLU Service Lift User

1. Introduction to the training
 - 1.1 Safety instructions and emergency procedures
 - 1.2 Facilities
 - 1.3 Introduction
 - 1.4 Scope and main learning objectives
 - 1.5 Ongoing assessments
 - 1.6 Motivation
 - 1.7 Human factor
 - 1.8 Personal Protective Equipment
2. Legislation and manuals
3. General use of lifts
 - 3.1 Standards for use with lifts
 - 3.2 Transport of personnel and equipment
 - 3.3 Lift functionality
 - 3.4 General safety in use of lifts
