

Module **IQTX** Instructor Quality Crossover Training

Instructor Qualification Training
IQTX (24 h)

Aim: The aim of this module is to update experienced GWO instructors on: their knowledge of the GWO Taxonomy Framework and adult learning principles (aligned with the IQT Standard); and to support their ability to apply these in their training delivery. Furthermore, the IQT Crossover Training Module is a prerequisite to certify as a GWO instructor through the alternative instructor Qualification process.

PROGRAM: IQTX Instructor Quality Crossover Training

1. Introduction to the workshop
